SECTION OFFICER

Weather Based Crop Insurance Scheme Kharif-2010

THE MAIN FEATURES / OPERATIONAL MODALITIES

Weather Based Crop Insurance Scheme (WBCIS) helps to mitigate the hardships of the farmers against the likelihood of financial losses on account of anticipated crop loss resulting from the incidence of adverse weather conditions of weather parameters like Temperature, Rainfall, Humidity etc. In accordance with the administrative instructions of the Department of Agriculture & Cooperation of Union Ministry of Agriculture, Government of India vide their letter **ref.no.13011/01/2008-credit II dated 3rd March, 2010**, Government of Andhra Pradesh is implementing WBCIS on Pilot basis during Kharif, 2010 season for Cotton crop in Adilabad, Khammam, Warangal districts and for Red Chilly crop in Warangal and Guntur districts.

1. **CROPS NOTIFIED**:

i) **COTTON** which includes both Irrigated and Unirrigated crops in the districts of **Adilabad, Khammam** and **Warangal** under WBCIS for Kharif, 2010 season

and

ii) **RED CHILLY** which includes both Irrigated and Unirrigated in the districts of **Warangal** and **Guntur** for Kharif, 2010 season

2. **REFERENCE WEATHER STATIONS**:

The lists of Reference Unit Areas (RUAs) in the respective districts notified along with a list of corresponding Reference Weather Stations (RWS) and Back up Weather Stations (BWS) is annexed (annexure-VI.A, VI.B, VI.C, and VI.D). In case of non availability of weather data from the mentioned Reference Weather Stations or from Back up Weather Stations, as alternative, State Govt. Mandal level Rainguage Stiations/IMD Weather Stations will be considered for weather data updation.

3. **AREA APPROACH**:

Reference unit areas are linked to specific reference weather stations and the reference unit areas are the Geographical areas situated around the reference weather stations, which is deemed to be reflective of the Reference Weather Stations' for weather data. To the extent feasible, such Reference Unit-Area shall be restricted to Mandal for notified weather parameters.

4. **CULTIVATORS ELIGIBLE FOR COVERAGE**:

All the cultivators (including sharecroppers and tenant cultivators) growing the Notified Crop i.e., Cotton either Irrigated or Unirrigated in any of the Reference Unit Areas shall be eligible for coverage. The Scheme shall be:

Compulsory: For all LOANEE APPLICANT CULTIVATORS i.e. those who have sanctioned Credit Limit from Financial Institutions (Co.op Banks, Commercial Banks including private commercial Banks, RRB's etc.,) for the Notified Crops in a Reference Unit Area.

Voluntary: For NON-LOANEE CULTIVATORS i.e. those who do not have Sanctioned Credit Limit from any FI for the Notified Crops in a Reference Unit Area.

5. **PERILS COVERED**:

Following are the weather perils, which are deemed to cause "Adverse Weather Incidence" affecting crop health, leading to crop loss, would be covered under the Scheme:

i) a)Deficit Rainfall b)Uneven distribution of rainfall ii) Excess Rain fall for **Cotton** crop

And

i) High Temperature ii))Deficit Rainfall(uneven distribution of rainfall) iii) Excess Rain fall for **Red Chilly** crop

6. **RISK PERIOD** : Risk period commences from 11th July, 2010 and the table containing the coverage periods at phases as given here:

Table-1: Coverage details for **Cotton** crop:

S.No	Name of the cover	Phase	Period: From ----- to -----
1	Deficit Rainfall (mm)	Phase -1	11th July,2010 to 10th August, 2010
2	Deficit Rainfall (mm)	Phase -2	11th August, 2010 to 20th September, 2010
3	Deficit Rainfall (mm)	Phase -3	21st September, 2010 to 31st October, 2010
4	Rainfall Distribution (mm)	Multiple Payouts	11th July, 2010 to 15th August, 2010
5	Excess Rainfall(mm)	Multiple Payouts	1st September,2010 to 31st October, 2010

Table-2: Coverage details for **Red Chilly** crop:

S.No	Name of the cover	Phase	Period: From ----- to -----
1	High Temperature		1st August, 2010 to 31st October, 2010
2	Deficit Rainfall (mm)	Phase -1	11th July, 2010 to 31st July, 2010
3	Deficit Rainfall (mm)	Phase -2	1st August, 2010 to 15th September, 2010
4	Deficit Rainfall (mm)	Phase -3	16th September, 2010 to 15th October, 2010
5	Rainfall Distribution (mm)		11th July, 2010 to 31st August, 2010
6	Excess Rainfall(mm)		11th July, 2010 to 31st October, 2010

7. **RISK ACCEPTANCE PERIOD**:

From the date of notification till 10th July, 2010

8. **SEASONALITY DISCIPLINE**: Seasonality Discipline and the broad cut-off dates are indicated below:

Table-3

SL No.	ACTIVITY	For Loanee Farmers	For Non-loanee Farmers
1	Cut off date for risk coverage for both Cotton and Red Chilly crops	Having availed the Loan/Sanctioned Credit Limit – On or before 10th July, 2010	Submission of Proposals on or before 10th July, 2010
2	Submission of Decl. by Nodal Banks to AIC of India Ltd.,	On or before 10th August, 2010	On or before 25th July, 2010
3	Insurance Intermediaries/Micro Insurance Agents to AIC of India Ltd.,		On or before 25th July, 2010

9. **COVERAGE PROCEDURE**:

(a) Insurance coverage of Loanee Applicant Cultivators shall be through the existing network of Financial Institutions (FI) at the grass-root level using Nodal Bank systems as in National Agricultural Insurance Scheme (NAIS).
(b) Insurance coverage of Non-loanee cultivators shall be through the existing network of (FIs) at the grass-root level; Dept. of Agriculture/Horticulture, the Insurance Intermediaries, Micro Insurance Agents and Authorised Representative of AIC.
(c) Nodal Bank Branches shall be paid by AIC a service charge of 5% on the actual premium amount remitted by them, being in the nature of sharing the incidental management expenses incurred by them for servicing the Scheme.
(d) Operational Modalities to the Financial Institutions are annexed here(annexure – VIII)

10. **SUM INSURED**:

Rs.25,000/- per hectare in respect of Adilabad District and Rs.30,000/- in respect Khammam and Warangal districts for **Cotton** crop applicable uniformly for all varieties of irrigated and unirrigated.

And

Rs.50,000/- per hectare in respect of Warangal district and Rs,.75,000/- in respect of Guntur district for **Red Chilly** crop applicable uniformly for all varieties of irrigated and unirrigated.

Loanee Applicant Cultivator's: `Area under cultivation' for the Notified Crop as already declared by him in the Loan Application form for the purpose of fixing his "Maximum Borrowing Limit (MBL) "by the Lending FI, multiplied by the stipulated Sum Insured per hectre.

Non-Loanee Cultivators: The Cultivators shall declare the `area under cultivation' for each Notified Crop in the Insurance Proposal Form. Non-loanee farmers will have flexibility to insure smaller amounts within maximum limit, but not less than 50% of maximum limit of Sum Insured.

11. PREMIUM RATE, SUBSIDY AND REMITTENCE OF PREMIUM:

Item no 11: A ready recknor of Premium sharing, subsidy portion and farmer's Contribution is presented in the table .The farmer's contribution is exactly 50% of the premium i.e.4.9%of Sum insured .The balance premium shall be shared by Central Govt. and Government of Andhra Pradesh on 50:50 basis and released as upfront subsidy and for AIC the risk incepts only upon receiving the full premium.

The premium shall be remitted through Demand Draft favoring "AIC of India, A/c no008010200023922 payable at Hyderabad". Separate Demand Drafts need to be obtained fro coverage of Loanee and Non-loanee farmers.

TABLE SHOWING THE PREMIUM SHARING PER ACRE								
Name of the Crop	**S.I per Acre Rs./-**	**Acturial Premium Rate**	**Premium Rs./-**	**Service Tax Rs./-**	**Total Premium Rs./-**	**Subsidy from State Govt. Rs./-**	**Subsidy from Govt. of India Rs./-**	**Farmers Contribution Rs./-**
Cotton crop in Adilabad District	10,000	9.80%	980	101	1,081	270.50	270.50	**540**
Cotton crop in Warangal and Khammam Districts	12,000	9.80%	1176	121	1297	324.50	324.50	**648**
Red Chilly crop in Warangal District	20,000	9.80%	1960	202	2162	541	541	**1080**
Red Chilly crop in Guntur District	30,000	9.80%	2940	303	3243	811	811	**1621**

When the acreage expressed in hectares the conversion shall be adopted

12. COMPENSATION PAY-OUT: Payout computation would be based on the notified weather parameters and the details of triggers are specified in the term sheet as shown in item 17. Maximum payout will be limited to Sum Insured.

TRIGGER WEATHER: Trigger Weather is pre-defined and being notified as per annexure with reference to the weather parameters and Reference Unit Area as detailed above and has been fixed so, keeping in mind the broad weather parameter requirement of Cotton crop in different mandals of Adilabad, Khammam and Warangal Districts and of Red Chilly crop in different mandals of Warangal and Guntur districts. The relevant term sheets applicable for the selected mandals of the said districts are annexed herewith (Annexure I.A to I.E, II.A to II.F, III.A to III.F, IV.A to IV.F and V.A to V.E)

13. **SUBMISSION & STORING OF WEATHER DATA**: Weather data will be provided by Automatic Weather Stations set up by Andhra Pradesh State Disaster Mitigation Society of planning dept. of Govt. of Andhra Pradesh to AIC on day to day basis for the season.

REFERENCE WEATHER STATION: This refers to the Automatic Weather Station operating for the particular Reference Unit Area i.e., mandal (as detailed in the annexure) operating for the relevant Reference Unit Area for generating the Weather Data during the current season based on which payouts are processed.

BACK-UP WEATHER STATION: It is a substitute Weather Station to be used only in case the weather data from the specified Reference Weather Station for the current season is unavailable for any reason. Names of both Reference and Back-up Weather Stations are detailed in annexure.

14. **PAY-OUT DISBURSEMENT**:

(a) Pay-outs would normally be made by AIC to the Nodal Banks in respect of loanee and to insured non-loanee farmers who are enrolled directly or through other channels.

(b) So far as the Insured is concerned, the Pay-out procedure shall be automatic; that is to say, Payouts would be automatically computed by AIC on the basis of Actual Weather Data received and the Pay-out would be automatically credited to the Insured's Bank Account.

15. **ADMINISTRATION OF THE SCHEME**:

The Scheme shall be administered by AIC whose responsibilities are subject to the discharge of the roles and responsibilities of the other Agencies/Financial Institutions/Govt. Departments/Committees as laid down in the Scheme Document and its Operational Modalities.

16. **PUBLICITY & AWARENESS**:

Dept. of Agriculture/Horticulture would take up wide publicity and awareness camps in coordination with AIC to popularise the scheme and mobilize coverage of maximum number of loanee and non-loanee farmers.

17. **TERM SHEET**:

The term sheets contain the details of triggers for high temperature, deficiency in rainfall, uneven distribution of rainfall, excess rainfall wherever applicable.

18. **LIMITATIONS & DISCLAIMERS**:

(a) The Scheme is NOT a Yield Guarantee Scheme, and is based on "Area Approach" as opposed to "Individual Approach" – whereby assessment of compensation would be made on Reference Unit Area Basis and not on the basis of every individual insured who might have suffered a loss:

(b) The Scheme shall be null and void and no benefit shall be payable in the event of untrue or incorrect statements, misrepresentation or on non-disclosure in any material fact in the proposal form/ personal statement/ declaration and connected documents, or any material information having been concealed, or a claim being fraudulent or any fraudulent means or devices being used by the Insured or any one acting on his behalf to obtain any benefit under this Scheme.

NOTE: 1) All code boxes shall be filled up by AIC
2) Guidelines for filling up Declarations are given overleaf

Guidelines for Filling up Weather Based Crop Insurance Scheme Declaration Form (LOANEE)

1. This Declaration format should be used ONLY with respect to cultivators who are functional / operative Loan Applicants / Kisan Credit Card Holders with sanctioned credit limit. Separate Declarations must be filled in for each crop and each reference area.

2. Only one copy of the Declaration need to be submitted to AIC. Banks should retain an office copy for their record and future reference.

3. Complete address of Nodal Bank along with the contact telephone number must be given to facilitate further communication, if required.

4. All Code particulars (boxes) shall be filled up by AIC.

5. Care should be taken to declare the Total Sum Insured for a Cultivator strictly based on acreage proposed in the Loan Application for a particular crop (vis-à-vis sanctioned credit limit) and the pre-declared sum insured per Hectare. There should be strict compliance with all stipulations/guidelines of the Weather Based Crop Insurance Scheme (WBCIS).

6. In a particular season the Nodal Bank has to submit preferably only one Declaration for a particular Crop and Reference Unit Area to AIC with requisite Premium within **30 days** from the cut-off date for availing the insurance under Weather Based Crop Insurance Scheme (WBCIS) for a particular crop.

7. There should be no duplication in insurance coverage of any cultivator either by the same bank or vis-a-vis other banks / financial institutions for the mentioned crop and insured plot.

8. Whenever any clarification in respect of any discrepancy in the Declarations submitted by Bank is sought for by the AIC, the same must be clarified within one week of AIC's letter. No clarification will be entertained by AIC thereafter. The claims liability, if any on such delayed clarification will rests with the concerned Bank.

9. **Specific guidelines for filling in the Schedule :**
   (i) Care should be taken to specify the Correct SEASON, CROP, REFERENCE UNIT AREA, & REFERENCE WEATHER STATION in each Declaration. Increase in sum insured (or increase in the payout amount) following any Changes / Corrections will not be entertained by AIC after the stipulated period.
   (ii) Care should also be taken to declare correct ACREAGE INSURED (HECTARES) and SUM INSURED. Increase in Sum Insured / Payout following any Changes / Corrections will not be entertained by AIC after the stipulated period.
   (iii) Sum insured to be covered under Weather Based Crop Insurance Scheme (WBCIS) must be declared separately for "Small/Marginal Cultivators" and "Other Cultivators". The categorization of Small/Marginal Cultivators should be done by considering total farmland ownership up to 2 Hectares (~5 Acres).
   (iv) Total Sum Insured should be arrived at for each loanee cultivator by multiplying Area (hectares) as per the loan application (vis-à-vis sanctioned credit limit) with the pre-declared 'Sum Insured per hectare' applicable for the crop, and as per the Guidelines of the Weather Based Crop Insurance Scheme (WBCIS).
   (v) The Flat / Applicable Premium Rate for the cultivator for the insurable crops under Weather Based Crop Insurance Scheme (WBCIS) would be communicated by AIC at the beginning of each season, based on which Net Premium would be calculated after adding Service Tax (if applicable).
   (vi) The Bank branches/PACSs shall process and verify the details of crops grown and acreage operated, if and wherever required.

2) Guidelines for filling up Declarations are given overleaf.

Guidelines for Filling up Weather Based Crop Insurance Scheme (WBCIS) Declaration Form (Non Loanee)

1. This Declaration format should be used ONLY with respect to Non Loanee cultivators who submitted Insurance Proposals with requisite details and premium amount within the cut-off date. Separate Declarations must be filled in for each crop and each reference area.

2. Only one copy of the Declaration need to be submitted to AIC. Banks should retain an office copy for their record and future reference. The Declaration should be accompanied by a consolidated statement with the details of all Non-Loanee cultivators insured under the Declaration. The details include name of cultivator, village, survey number, acreage insured, sum insured, premium paid, Bank A/c particulars, etc.

3. Complete address of Nodal Bank along with the contact telephone number must be given to facilitate further communication, if required.

4. All Code particulars (boxes) shall be filled up by AIC.

5. Care should be taken to declare the Total Sum Insured for a Cultivator strictly based on acreage proposed in the Insurance Proposal Form for a particular crop as per the pre-declared sum insured per Hectare. There should be strict compliance with all stipulations/guidelines of the Weather Based Crop Insurance Scheme (WBCIS).

6. In a particular season the Nodal Bank has to submit only one Declaration for a particular Crop and Reference Unit Area to AIC with requisite Premium within **15 days** from the cut-off date for availing the insurance under Weather Based Crop Insurance Scheme (WBCIS) for a particular crop.

7. There should be no duplication in insurance coverage of any cultivator vis-à-vis National Agricultural Insurance Scheme (NAIS) or Weather based Crop Insurance schemes of other insurance companies, either by the same bank or with other banks /financial institutions for the mentioned crop and insured plot.

8. Whenever any clarification in respect of any discrepancy in the Declarations submitted by Bank is sought for by the AIC, the same must be clarified within one week of AIC's letter. No clarification will be entertained by AIC thereafter. The claims liability, if any on such delayed clarification will rests with the concerned Bank.

9. **Specific guidelines for filling in the Schedule :**
   (i) Care should be taken to specify the correct SEASON, CROP, REFERENCE UNIT AREA, & REFERENCE WEATHER STATION in each Declaration. Increase in sum insured (or increase in the payout amount) following any Changes / Corrections will not be entertained by AIC after the stipulated period.
   (ii) Care should also be taken to declare correct ACREAGE INSURED (HECTARES) and SUM INSURED. Increase in Sum Insured / Payout following any Changes / Corrections will not be entertained by AIC after the stipulated period.
   (iii) Sum insured to be covered under Weather Based Crop Insurance Scheme (WBCIS) must be declared separately for "Small/Marginal Cultivators" and "Other Cultivators". The categorization of Small/Marginal Cultivators should be done by considering total farmland ownership upto 2 Hectares (~5 Acres).
   (iv) Total Sum Insured should be arrived at for each cultivator by multiplying Area proposed for insurance (Hectares) in the proposal form with the pre-declared 'Sum Insured per hectare' applicable for the crop, and as per the Guidelines of the Weather Based Crop Insurance Scheme (WBCIS).
   (v) The Flat / Applicable Premium Rate for the cultivator for the insurable crops under Weather Based Crop Insurance Scheme (WBCIS) would be communicated by AIC at the beginning of each season, based on which Net Premium would be calculated after adding Service Tax (if applicable).
   (vi) The bank branches/PACS shall process and verify the details of crops grown and acreage operated, if and wherever required.

WBCIS Guidelines to Nodal Banks in A.P for participating in WBCIS – Kharif, 2010

1. Weather Based Crop Insurance Scheme for Kharif,2010 season for **Cotton** crop in Adilabad, Khammam and Warangal districts and for **Red Chilly** crop in Warangal and Guntur districts is being implemented. The Loanee farmers would be covered under the Pilot WBCIS on Compulsory basis which is mandatory as per Govt. of India guidelines whereas it is voluntary for Non-loanee farmers.

2. Non-loanee farmers interested in the pilot WBCIS for the notified crops in the above mentioned districts can insure their crops through the Banking Network/AIC empanelled Insurance Intermediaries/Micro Insurance Agents or through the authorized representatives of Agriculture Insurance Company of India Ltd.

3. The sum insured is pre-defined & fixed per acre or hectare. In the declaration, the extent of area to be reported is in consolidated figures of hectares.

4. **The criteria for covering Loanee Farmers**:

a) All those farmers eligible for availing loans for Kharif season i.e., up to 10th July, 2010 and who have sanction as per their loan proposal (even if the loan disbursement/withdrawal has not taken place), the respective notified crop should be taken into account for collection of premium. The premium shall be debited to the account of the eligible farmers. The Banks can sanction premium as additionality to crop loan. Since these loanee farmers cannot be covered under NAIS invariably the coverage under WBCIS shall be provided.

b) The criteria for covering Loanee Farmers is based on the predefined sum insured i.e., Rs.12,000/- per acre in case of Cotton crop in Khammam and Warangal districts, Rs.10,000/- per acre in case of Cotton crop in Adilabad district, Rs.20,000/- per acre in case of Red Chilly crop in Warangal district and Rs.30,000/- per acre in case of Red Chilly crop in Guntur district. 'Area under cultivation' for the notified crop as already declared by Loanee Farmer in the loan application from for the purpose of fixing his/her 'Maximum Borrowing Limit' (MBL) by the Lending Financial Institution, multiplied by the stipulated sum insured per acre will be the actual sum insured to be treated for payment of premium .

c) Agricultural Jewel Loans (AJLs) are eligible for compulsory coverage at par with other/pure agricultural loans. Please ensure that all eligible (if the farmer does not have sanction under regular crop loan account) AJLs sanctioned/disbursed as on the cut-off date prescribed for the purpose i.e., 10th July, 2010 shall be insured under the pilot WBCIS, based on acreage declared, multiplied by Acreage Sum Insured.

5. In case of Non-loanee farmers, the farmers shall declare the 'area under cultivation' for each Notified Crop in the Insurance Proposal Form. Sum Insured will be equal to the declared area multiplied by sum insured per acre or hectare as the case may be.

6. Pay-outs (claims) under the scheme are decided on 'Reference Unit Area approach' basis based on the required data recorded at the 'Reference Weather Station (RWS)' during the risk period. Should the RWS data be unavailable for any day during the risk period, the data of 'Backup Weather Station (BWS)' would be used for the purpose. In the absence of data from AWSs as alternative, data from Manual Rainguage Stations of State Govt. or IMD will be adopted. The details of the RWS and BWS are appended in this notification.

7. Copies of the 'Proposal Form', 'Loanee Declaration Format', 'Non-loanee Declaration Format' and 'Non-loanee Declaration Format for Insurance Intermediary' are appended in this notification. The list of Cultivators with coverage details also need to be sent along with the declaration. Banks are paid 5% of premium as Service Charges for Loanee/Non-loanee coverage. Bankers are advised to contact AIC, RO, Hyderabad in case of any clarification.

8. All payouts under the scheme are settled by Agriculture Insurance Company of India Limited (AIC) after the completion of risk period subject to availability of the data in time.

K.R.KISHORE,
SPL.CHIEF SECRETARY TO GOVERNMENT (FAC).
